Waterford Mott High School's Automotive Program Receives National Certification

September 19, 2006, Waterford, Mich. – The Waterford Mott High School automotive training program has received certification by the National Automotive Technicians Education Foundation (NATEF) and the National Institute for Automotive Service Excellence (ASE). Mott High School's automotive program has been certified in the following areas: brakes, electrical electronic systems, engine performance, and suspension and steering.

To achieve this coveted recognition, Mott High School's training program underwent rigorous evaluation by NATEF. Nationally accepted standards of excellence in areas such as instruction, facilities, and equipment were used. Upon completion of the evaluation, NATEF recommended that Mott High School be certified by the National Institute for Automotive Service Excellence (ASE). As a result of the quality education provided at Mott High School, graduates will be employable in entry-level automotive technician positions.
