☀ . REGISTRATION BEGINS MONDAY, MAY 3, 2010

We are excited to combine our summer sites into one fun filled convenient location:

The Stepanski Early Childhood Center.

All of our summer staff is working together to continue to provide the on site activities, clubs, camps and field trips that make our program a fun filled summer adventure.

Summer presents some challenges for Waterford's working parents. Sports Camps, Field Trips and Swimming lessons require planning, transportation, work schedule flexibility and affordability. We have the solution for some summer fun! Unique weekly themes, on site activities, Soccer, La Crosse, and Cheerleading camps, field trips, water days, and of course ice cream are just a few of our warm weather activities.

Parents may obtain a registration form(s) from their home child care site or you may download the forms from this site. A summer registration fee of \$35.00 with a \$5.00 charge for each additional sibling, must accompany your enrollment form. Summer child care has a limited enrollment and is available on first come, first serve basis. As during the school year, our fees are \$1.75 per half hour option. Invoices and payments will be generated weekly. See Billing Calendar for specific dates.

Pre registration for Sports Camps may be done at the time of enrollment.

Parents using DHS must obtain approval for summer if they attend a different site than during the school year. Ask your coordinator for Stepanski's provider ID number so you may provide this information on the new forms required by DHS. This should be done before Summer Child Care begins so it will be in place when your child uses the program. It will be necessary for parents/guardians to pay all fees until we receive DHS approval.

IMPORTANT DATES

- Summer care begins, June 21, 2010
- Closed - Monday, July 5, 2010 in observance of the Holiday*
- Closed - The week before school starts August 30 - Sept. 2, 2010
- Child Care will resume on the first day of school, September 7, 2010
