

WHAT'S HAPPENING AT **STEPANSKI** EARLY CHILDHOOD CENTER?

The new Stepanski Early Childhood Center will be 67,000 square feet, with an additional 88,000 square feet dedicated solely to an outdoor play area. The interior will boast an innovative design that will promote enhanced learning opportunities for all of Waterford School District's youngest students. It is anticipated the new building will open in September 2024.

Early childhood is the foundation for academic excellence. We are proud that Waterford School District is on the cutting edge of offering these opportunities to our families.

Scan the QR Code or visit www.wsdmi.org/stepanskibuild to follow the project's progress.

WHAT CAN YOU EXPECT?

During construction, expect an increase in traffic entering and exiting Monday through Friday from 6:30 a.m. to 8 a.m. and 3:30 p.m. to 5:30 p.m. Frequent street sweeping will take place throughout the entire duration of the project.

There may be loud noises during certain construction activities, however, Construction Manager Barton Malow commits to minimizing impact to the community when possible.

Start: Spring 2022
Completion: Fall 2024

CENTER HIGHLIGHTS:

- 67,700 Square Feet
- 27 Classrooms
- Large Motor Skills Room
