It is a partnership offered to businesses in Oakland County that wish to improve employee moral, retention, productivity, physical and mental well being of its employees.

### Who is eligible?

Employees of small businesses and large corporations are eligible to participate.

### How do we get started?

Your organization must first designate a representative, preferably someone in your benefits or human resources department. The representative will also act as the liaison between the Waterford Pool & Fitness Center and your employees to maintain involvement.

### How many memberships must be purchased to join the Corporate Advantage Program?

A minimum of five (5) memberships must be purchased. The membership is transferable and may be used by any employee, volunteer, family member, or client of the designated corporation.

### What does my Corporate Advantage Program include?

It allows you and your employees admission to both Kettering and Mott Pool & Fitness Centers during open use times and use of the indoor walking track at each location.

### Who do we contact to get started?

You may contact either Pool & Fitness Center by calling: Kettering Campus, at 248.673.9969 or the Mott Campus at 248.674.6360 or visit [www.waterford.k12.mi.us/pfc](http://www.waterford.k12.mi.us/pfc) for an application.
