MIDDLE SCHOOL

DRESS CODE

As a school, our goal is to offer an environment that is conducive to learning. We are an educational institution, preparing our children for life-long learning and the world of work. With this in mind, we work hard to establish an atmosphere that is respectful to all, encourages work, is safe and does not distract from the learning process. Our dress code policy is aligned with these goals.

The school has a right to ask a student to change his/her dress or personal grooming habits if it is deemed inappropriate or disruptive to the educational environment. Repeat violations of the dress and grooming code shall be considered defiance of authority and may result in disciplinary action as described in the Student Code of Conduct. Administrators will make the final determination as to what constitutes appropriate attire.
