Annual Education Report (AER) Cover Letter

August 27, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for the Beaumont Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Mrs. Jan McCartan, Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site www.waterford.k12.mi.us/ or you may review a copy from our Main Office at any time.

Beaumont Elementary School made Adequate Yearly Progress (AYP) in both the areas of English Language Arts and Mathematics for the 2009-2010 school year. While we are pleased to have reached this important goal, we are continuously working on best practices to improve student achievement. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:

- a. Students are assigned to their elementary, middle, and high school buildings based upon established geographical boundaries at each level. Students from outside of the district are admitted through a School of Choice process in kindergarten only and are placed at buildings based upon space available.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

- a. The District received accreditation through the North Central Association starting in the 2009-2010 school year. This process placed the district in the top 5% of districts across the country that have been designated as being nationally accredited.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

- a. Kingsley Montgomery School (KMS), formerly known as Montgomery Developmental Training Center, is a segregated special education facility that provides support for severe cognitive impaired (SCI), severe multiply impaired (SXI), post secondary cognitive impaired (MoCI), and severe emotionally impaired (SEI) students. Kingsley Montgomery School has been providing special education services since January 1979, starting with SXI and SCI students. Students and staff from the Waterford Training Institute merged with Montgomery Developmental Training Center in the 1997-98 school year and the center was renamed Kingsley Montgomery School. Kingsley Montgomery School currently provides center-based support for SXI and SCI students who are 3 to 26 years of age. KMS currently has three SXI classrooms located in three general education buildings. These classrooms are located at Grayson Elementary, Mason Middle, and Mott High Schools. At KMS there are two SCI and four SXI classrooms, along with seven SEI classrooms.
- b. Children's Village School is a North Central Association accredited facility owned by Oakland County and operated by the Waterford School District. The school serves children in grades K-12 who have been adjudicated via the Probate Court for delinquency, neglect, truancy at home/school, or incorrigibility at home/school. These students come from all 28 school districts in Oakland County, other counties within the State of Michigan and also some out-of-State students.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

a. The core curriculum can be accessed through the district website at <http://www.waterford.k12.mi.us/curriculum/contact.htm>. It was implemented in alignment with the State of Michigan which has a comprehensive curriculum for all grade levels. There are no variances from the state's model.

5. THE AGGREGATE STUDENT ACHEIVEMENT RESULTS FOR ANY LOCAL COMPENTENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS.

The Michigan Educational Assessment Program (MEAP) is a criterion-referenced assessment designed to measure where students are academically in relation to the state standards. The MEAP assessment was given in October to students in grades 3-5.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

Teachers conferred with parents representing all (89%) of the students at Beaumont one or more times during the 2009-2010 school year. Informing our parents of student progress is an ongoing process throughout the school year. We use a variety of methods to communicate student progress through report cards, emails, phone calls, meetings and parent teacher conferences. During our fall and spring conferences parents and teachers were engaged in conferences to review individual student's progress and determine ways to strengthen cooperation between home and school.

Beaumont Elementary School thrives on creating an environment that recognizes, honors, and celebrates the whole child. As a staff, we take great pride in empowering and inspiring our students to be the best that they can be in both their personal and academic lives. We hold high standards for creating an environment that excels in student achievement. Additionally, we are pleased to announce that we were named a Michigan Green School for the 2009-2010 school year. We are looking forward to another great year!

Sincerely,

Mrs. Jan McCartan
Principal
