Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-21 educational progress for the Donelson Hills Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Anne Kruse, Principal at Donelson Hills Elementary School for assistance.

The AER is available for you to review electronically by visiting the following web site <https://www.mischooldata.org/dashboard-home/> or you may review a copy in the main office at your child's school.

For the 2020-21 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels based on our 2020-21 results.

Donelson Hills Elementary School continues to refine our practices to meet the needs of all our students. Our district Guided Reading Initiative, Gradual Release Model, Non-Fiction Writing Initiative and Learning Target Theory of Action have contributed to an aligned approach with research-based practices supported by professional development opportunities. Our building leadership team has formulated comprehensive, yearlong improvement plans designed to close achievement gaps. In addition, our staff engages in weekly PLC meetings to analyze data and plan instructional next steps both for intervention and enrichment opportunities. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:

In the Waterford School District, students are assigned to a school based on their home residence. Parents who wish to have their child(ren) attend a school other than their home school can request that option through our school selection process. Children's Village School services children who have been adjudicated there through the court system. Students are assigned to Kingsley Montgomery School from around the county through an Individual Educational Plan process.

IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES FOR THE PAST TWO YEARS:

Donelson Hills Elementary School holds parent teacher conferences every year. We strive to have 100% participation from all stakeholders.

At Donelson Hills Elementary, we believe in being mission driven and data informed. That means we take to heart our district's mission to inspire, educate, and empower our students. To us, this means ensuring Donelson Hills is a safe school that all children want to come to. It also means we are utilizing best practices in the classroom and differentiating our instruction to meet the needs of all of our students. We do this by utilizing the gradual release model of instruction, learning targets, mini lesson, guided reading, and other means of small group instruction.

Inspired, Educated and Empowered to Thrive!
